None of us actually went to a little red schoolhouse or were taught to the tune of a hickory stick. These things, to most of us, are just symbols that help us evoke our own schoolday memories. That is what we desire the Ciccone to be, an emblem of Ennis High School, to help us remember

the teachers we had and the subjects we took, to recall the activities in which we participated, to remind us of the laughter and the tears, the joys and the disappointments. May the CICERONE of 1942 serve as a Book of Memories dear to the heart of every true student of Ennis High School

The Junior Class is composed of a group of popular, talented, and intelligent students. During the three years the Juniors have been in high school, they have added much pep and personality to the student body. Among this vivacious array of Juniors is Barbara Bennight, gifted singer and twice elected class favorite and beauty.

June Frels, Edna Earle Fleetwood, & Dorothy Purcell a trio of pretty Juniors, have received acclaim as the prancing majorettes of the Drill Team. Such brilliant Students as Mary Virginia Barnett & Naomi McCarley, Honor Society members, are Juniors.

There are in the Junior Class Jackie Merritt, Solo cornetist, Charles Worth Howell, the most handsome boy in Ennis High School; C. P. Clarke, Jr. ace photographer; and Bobby Bohannon talented cartoonist. Also in this class are such athletes as George Cikanek, Billy Brooks, John Horan, & Calvin Emmert. This class is obviously one of originality and individuality and is responsible for a great portion of the vim, vigor, and vitality of Ennis High School.

Led by President Joe Crow, high-stepping quarterback of the Ennis High Lions, this class is active in the many organizations of the school....The Maroon and white of Ennis High Band is worn by clarinetist Ethel Jean Allen; baritonist Gene Burkhead; cornetist Walter Newlin; bass drummer Allen Rogers and thirteen other musicians. The colorful drill team which peps the fightin' Lions on to victory is composed of sophomores Betty Ballew, Lola Cervantes, Emma Mae Davis, Mary Ann Gardiner, Frances Rheay, Edna Earle Porter, Ola Nell Snell, Winifred Watkins, & Mavis Willmon. The National Honor Society is composed of a choice of juniors and seniors selected by the faculty on the basis of scholarship, leadership, character, and service.

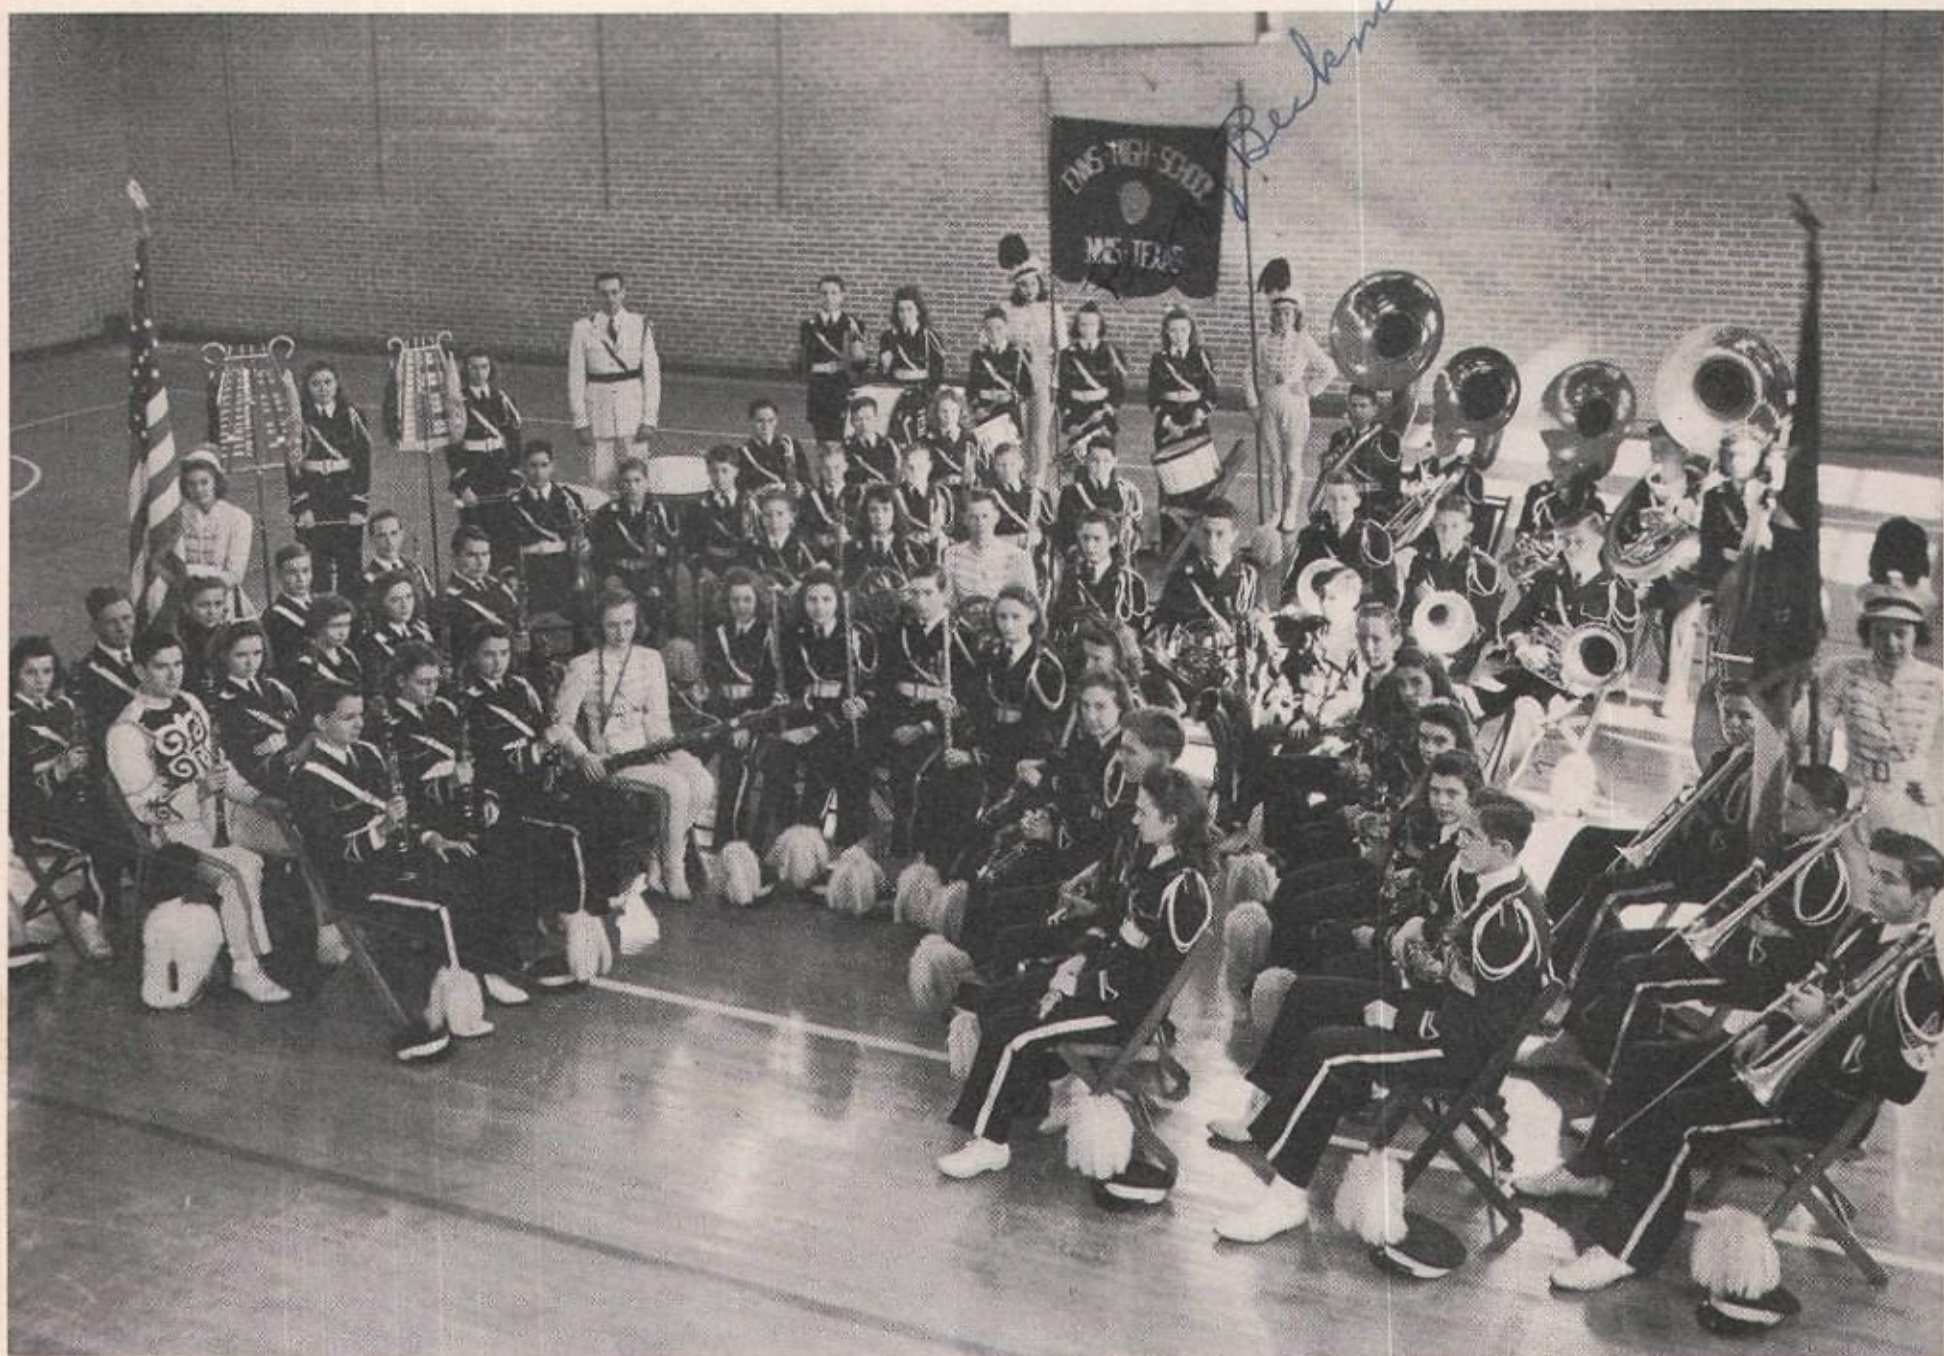

The Patrol, which directs traffic on the streets near the school, is composed of fourteen boys. There is a morning and evening shift of which J. C. McCormick is the captain of the former and Billy Smith of the latter.

The Cicerone Staff of 1942 is edited by Peggy Sue Rogers and Mariana Moseley. The business division of the Cicerone Staff is under the managership of Jack Purcell.

The Dandee Lion, the Ennis High School bi-weekly newspaper, is edited by Linnie Jo Gilley and managed by Billy Prestidge.

*Good luck to a fine boy
Ganger*

One of the most active organizations in Ennis High is its colorful seventy-five piece band. Throughout the year the band is heard and seen by the students and people of Ennis from football season through the summer concerts. Much time is given the band by the student members, but one of their compensations has been to win a first division in every concert, marching, and sight-reading contest that they have entered at the State Regional contest festivals for the last several years. A diversified musical program and many enjoyable trips and pleasant experiences help to make band participation one of the long remembered high-lights of the boys & girls who don maroon and white and play in the Ennis High School Band.

The Ennis High School Drill Team developed from a Pep Squad that marched to the drum beat of a city-wide band in 1935 & '36 to the high stepping, smartly uniformed organization that now wears the maroon and white of our Alma Mater.

Reviewing the brief history of this group of peppy girls, the largest team which ever represented Ennis High School was in 1936-37 when the team was composed of seventy-five members. During the past four years there have been one hundred and four members including fourteen leaders, of whom all but ten girls have had a record of perfect attendance. The Cicerone Staff takes a great pride in saluting the Ennis High School Drill Team!

Just resting

all out for "COKE"

In the year 1940-41 something new, as an award to Ennis High School students who proved themselves outstanding in the various phases of the school program, was offered. This award was in the form of an extensive trip which was made at the close of the school year. This tour included such places as El Paso, Juarez, Mexico, and Carlsbad Caverns.

The high ranking fifty students were selected as the honor students. Each student was furnished his transportation, but paid his own lodging and food bills.

TRIP

The honor trip is not the goal, as good citizenship comes first, and such a trip as this has as its purpose the stimulation of those things which better prepare a student to take his place as a useful and intelligent citizen in our democratic society.

The following photographs present a picture of the wholesome good time enjoyed by the honor students of Ennis High School.
